④ EMPLOYMENT HISTORY

Call Support

One point One Solution,
Gurgaon

June 2020 — April 2021

I worked in Call Support at One Point One Solution for 11 months, managing inbound queries for a sanitaryware brand. I efficiently handled around 100 calls daily.

Remote Front End Developer

Adib Digital, Sharjah, UAE

May 2021 — May 2022

From 2021 to 2022, I worked as a Remote Front-End Developer at Adib Digital, a UAE-based company, where I successfully delivered around 10 projects for international clients.

Full Stack Developer

SERI Private Limited, New Delhi

July 2022 — Present

Here I have successfully developed 6 apps, 4 websites, 1 chat system, and 1 CMS. With expertise in Java Spring Boot, Next.js, React.js, and databases, I focus on delivering innovative and scalable solutions.

⑤ EDUCATION

Polytechnic in CSE

Government Polytechnic
Saharanpur, Saharanpur

August 2016 — August 2019

B.Tech in CSE

SD College of Engineering
and Technology,
Muzaffarnagar

August 2023 — August 2026

⑥ INTERNSHIPS

Java SE

CETPA, Dehradun

July 2017 — September 2017

6-weeks internship for Java SE at CETPA, where I strengthened my core Java programming skills and laid the foundation for my career in software development.

Java EE

Ducat , Ghaziabad

July 2018 — January 2019

I completed a 6-month internship in Java EE and Android App Development at Ducat Ghaziabad, enhancing my skills in enterprise-level Java applications and mobile app development. This experience solidified my expertise in building scalable and user-friendly solutions.
